EDUCATION

MSc in Embedded Systems Engineering

UPV/EHU · 2014
Best Student Award

BSc in Electrical Engineering

Universidad de León · 2015

BSc in Telecommunications Engineering, Sound & Image

UPNA · 2016

BSc in Industrial Engineering, Electrical

UPNA · 2003
Final project with honors

Violeta Calvo

Full Stack Engineer & Technology Partner

Engineer with 15+ years of experience, 8+ in software. I design and build web applications end to end, from product idea to architecture, development and deployment. Former Tech Lead; I do my best work in small, empowered remote teams.

EXPERIENCE

SustraiLab · Technology Partner

2025 – Present

Turning product ideas into web apps and SaaS products end to end, with a focus on simplicity, automation and AI-assisted workflows.

Hiboo · Senior Full Stack Engineer

05/2024 – 01/2025

Backend migration to a hexagonal architecture; rotating Tech Lead role in the product trio. TypeScript, Node.js, React, PostgreSQL, GraphQL.

Greenly · Tech Lead · Full Stack Engineer

04/2022 – 06/2023

Tech Lead from August 2022: 1:1s, PR reviews and technical design. Node.js, React, PostgreSQL, AWS.

Flitdesk · Backend Engineer

07/2020 – 03/2022

Migrated legacy code to a modern distributed architecture and moved the team to Shape Up. NestJS, GraphQL, MongoDB, GCP.

Brozerly · Lead Full Stack Engineer

03/2015 – 11/2018

Sole developer: PWA and iOS/Android apps with Meteor, and a back office with Stripe payments.

PROJECTS · SUSTRAI STUDIO

Zirkoloretsua

2026

Circus company website (ES/EU) with a self-managed agenda. Next.js, Cloudflare Workers, D1.

La Luciérnaga

2026

Mountain group website moved from WordPress, with member sign-in. Astro, Cloudflare, Better Auth.

ENGINEERING BEFORE SOFTWARE · 2004 – 2014

Bonopark · Design & Development Engineer

2011 – 2013

Matis Hispania for Gamesa · Control Software Support Engineer

2007 – 2009

Schneider Electric · Continuous Improvement Engineer

2004 – 2007

Internships · ULMA Embedded Solutions · HOFF distribution

2014

Co-inventor · Patent EP2955092 · System for anchoring and recharging electric rental bicycles

BEYOND WORK

Pole dance & acrobatics, scuba diving, watercolors and guitar. Involved in education and community projects with other families.
